WHAT SETS US APART

Our Experience

We have 35+ Years in Engineering, Manufacturing, Program Management, Supply Chain, Procurement, M&A Integration & Business Development for Automotive/Aerospace and Packaging companies.

Our Process

We source the best talent that might be currently working for your competitors, and the best talent will consider an opportunity in their best interest.

Our Advantage

We save you time by reducing your normal time to fill a position by 50% and a 70% increase into offers to the "right" talent and companies.
